STUDENT'S FOCUS PLAN

Student Focus:

STEP 1

There are things keeping you from focusing at school and we have been called to work with you.

STEP 2

Together we will talk through your struggles and create a plan to make some changes.

STEP 3

For the next 2 weeks, you'll put your plan into action! We'll meet again, this time with school and talk through how it's going.

STEP 4

If attendance is improving, we will monitor for a little bit longer and we'll send you on your way!

Parent/ Caregiver Focus:

Join **The Parent Line** through the GroupMe app

If at any point your struggles grow beyond the scope of TRP's commitment, your team of support may suggest adjustments to move to a higher level of assistance.

PROGRAM

SCHOOL'S FOCUS PLAN

STEP 1

School connects with parent/caregiver to let them know a referral to TRP will be made.

STEP 2

Within 2 business days, TRP reaches out to the family to schedule a Focus Meeting. In the Focus Meeting, a plan is created & agreed upon and sent back to school for review

STEP 3

Student has 2 weeks to work with their plan and followup meeting is scheduled with the student, caregiver and school.

STEP 4

If attendance is improving, we will monitor for up to 30 days then close the case. If attendance isn't improving, we will make necessary adjustments and talk through next steps.
